

Thrivent Helps Local Affordable Housing

Dear Friends at Truckee:

Thrivent is excited to announce the *Thrivent Builds Program*. Thrivent is building with Habitat for Humanity and providing financial support to local Habitat affiliates. Nevada County Habitat for Humanity is the affiliate for the Sierra-Nevada Thrivent Chapter Region and has been selected to build a Thrivent home for 2011.

Nevada County Habitat for Humanity has been providing homes for hard working families of Nevada County for the past 15 years. To date they have built 19 homes serving 26 adults and 60 children. Currently, they have broken ground and begun construction on homes for 2 local families as part of the 16 home "Heritage Oaks" development project in Grass Valley. The Thrivent Builds home will be house number 3 in the project and will help Habitat build more affordable homes in 2011. With rising real estate prices, the need for affordable housing for the economically disadvantaged in Nevada County is greater than ever.

We are asking you to please take advantage of the generosity of Thrivent Financial and make a donation to this Thrivent Builds home to help fulfill the critical need for affordable housing in Nevada County.

Please complete the enclosed form and deliver by February 20, 2011 to:

Truckee Lutheran Presbyterian Church c/o Denny Lott, 10435 Royal Crest, Truckee, CA 96161.

When you are ready to fulfill your pledge make checks payable to: Truckee Lutheran Presbyterian Church and write "Thrivent Build" in the memo line of the check and deliver by mail to address above, or give it to Denny at worship.

For information on Nevada County Habitat for Humanity: call (530) 274-1951 or visit www.nchabitat.org
