A MESSAGE FROM PASTOR JEANIE

NEWS FROM OUR COLLEGIANS!

Lots of news from the Breuch family! All three of Lori's children are in college. Alex has finally settled on a career path after having traveled far and wide and researching his options. He hopes to start at Full Sail University at the end of Oct. as a video game design major with an emphasis in storytelling. He'll be entering as a 2nd year student. Sonia is an agriculture major at Feather River College in Quincy. She is currently living in

Truckee and working at the Tahoe Food Hub and the Truckee Food Shop. When the lockdown came, she moved back from Portland knowing she could find work in the food industry in Truckee. Currently, all of her classes are online, but she will be moving to Quincy when it's time to take in-person classes. She switched her emphasis from culinary arts to agriculture; she is focusing on sustainable agriculture. Ben is studying computer science at Sierra College. Currently he is living at home but looks forward to moving into the dorms in Rocklin when they re-open. Ben likes the precision of all things technical and is enjoying classes so far. Besides being the TLPC sound guy, he is working at Blue Coyote in the evenings. He is also taking on home repairs to provide a change of pace from work and study. He is busy! And congratulations to Ben for earning his Eagle for Boy Scouts. Ben will be honored at a Court of Honor sometime this fall.

Spencer Edmundson moved back home to Truckee this summer after the pandemic hit. Spencer is playing baseball for the Reno Aces and was recruited to play for Lassen Community College in Susanville. Spencer will matriculate and begin playing for the Cougars this Spring. Congratulations Spencer!

And lots of news from Wulfe Retzlaff! Wulfe was named one of the captains of his football team at Missouri Institute of Technology and is living with friends in a football house. He was kind enough to write, "I have enrolled in 19 credit hours which include the classes: aerodynamics, computer science, circuits, dynamics, engineering materials, and mechanics of materials. Every class has been super engaging and I have been learning a lot of great information. It has been getting me thinking everyday about new applications in life beyond school. As well as my classes, I have been making the most of being a President of the National Society of Leadership and Success. Each day my executive board are finding new ways to engage in community service projects and other campus events in Rolla. I have been able to grow my faith through attending the campus' Christian Fellowship (CCF)." So proud of you Wulfe!

and the prayer team of the congregation to pray for you.

Dominic Hatch is a Junior at Northwestern University near Chicago and plans to graduate with a double major in computer science and math. Dom was home this summer taking more classes. He is now in Evanston, living in an apartment with friends and taking classes online. We know that Dominic will be a great success!

Freshman Kayle Settle is one of our outstanding Wolverine athletes and was recruited to play volleyball at American River College in Sacramento! Kayle is living in a volleyball house with fellow teammates. She plans to major in graphic design. Dean and Nancy are glad that Kayle is close enough to Truckee to drive home every once in a while!

And Keele Shaw is in her third year of medical school in the midst of month long rotations experiencing all the different specialties of medicine. Currently she is in Las Vegas completing a psych rotation. On weekends when she is able, she volunteers at our Tahoe Forest Hospital in the emergency room. Her hope is to be able to become an emergency room physician.

Blessings of courage and peace,
Pastor Jeanie

OPERATION GRATEFUL & SUPPORT

Please Support Our Collegians!

We have a wonderful tradition at TLPC of sending our college and grad students care packages in October. These next two weeks, *Operation Grateful & Support* will be supporting our collegians by sending packages filled to the brim with notes, gift cards, and goodies! Goodies that have been appreciated in the past are granola bars, Starbucks gift cards, notes, and Halloween candies. We will have boxes with student's names on them at our outdoor worship for the next two weeks. If you would like to donate but will not be attending our outdoor services, please contact Pastor Jeanie and she will arrange a pick up. We are so proud of our collegians!

ALL SAINTS DAY IS NOVEMBER 1

We have a tradition of ringing a bell for all family members who died this last year. If you would like a bell rung for a loved one, please email the names of those who you would like to honor to Pastor Jeanie at:

SHHHHHH... IT'S A SURPRISE!

For the last two weeks, we have focused on Ryan McKenzie for *Operation Grateful & Support*. When the pandemic forced Zephyr Point Conference Center to cancel all their retreats and conferences, Ryan lost his job as the beloved and respected Director of Ministry. Thank you all for your prayers for Ryan, your notes, and for

your generous donations to help Ryan with courses that will enable him to find a new calling.

This Sunday, Ryan and his children will be at our outdoor worship service and Ryan will be playing music. Your Council has voted to present Ryan with a check and with stoles that were created by our quilters for his ordination. Although his ordination will have to be postponed, our Council believed that the gift of the stoles would be a symbol of our belief and trust that God will provide a new calling for Ryan. We look forward to the time when he will be ordained and will wear the stoles from his church family! Join us this Sunday at 10:00 as we worship together in Gods beautiful creation!

OUTDOOR WORSHIP SUNDAY, OCTOBER 18 AT 10:00 AM

TLPC outdoor worship will be very casual. We are planning for meaningful and enjoyable worship; however, the experience will be somewhat different from what we are accustomed to. **To learn what to expect and how to prepare prior to attending outdoor worship, please click the button below to view a list of instructions and guidelines... It's important you review this guide before attending. Thank you!**

We understand that there is a wide spectrum of risk and comfort level in our congregation. In order to honor those who are not able to meet together, we will be continuing an online worship. If you are in an "at risk" group or if you are not able or willing to join us outdoors for any reason, we encourage you to continue to worship with us online!

Closing Thoughts

I found this Psalm bookmarked in one of my Dad's favorite Bibles this week:

***Don't you see that children are God's best gift?
the fruit of the womb his generous legacy?***

***Like a warrior's fistful of arrows
are the children of a vigorous youth.***

***Oh, how blessed are you parents,
with your quivers full of children! Psalm 127:3-5 (The Message)***
